REMINDERS

- Remember to have two people each week share their Faith Stories, planning to get through all of them by the end of this session.
- Take notes after people share - not all details, but anything pertaining to their calling, passion, interests, struggles, family concerns, etc.
- Begin writing the Blessing Cards – provide them for the entire group.
- This week's topic is Why & How Should I Tell Others.
 - Encourage the group to share their 1 min testimony with someone this week
 - Use the Who is my neighbor graphic.
 - Baby steps - pray for an opportunity to break the ice with a neighbor. Maybe the first step is learning a name.
- Share Cardboard Testimonies, track your groups', and consider if any might be shared at the Celebration.
- Remind the group about Affirmation Cards, explain that everyone should come on Week 10 prepared to affirm each other person in the group.
- Where are folks spiritually? Ask them to reflect and consider their next steps.
- As always, please contact Steve or Ginger (gingerz@illuminatecommunity.com) with any question or concerns.
- Celebration Night - encourage your entire group to attend – November 24, 5:00 pm at the church.
 - Begin checking to see who is coming, who would need childcare, who might want to get baptized.

- Stay in contact weekly with your group.
