

- Send this out just after week 1 Meeting:

Hey Everyone!

Hope you are having a great day!

Thanks so much for our time of sharing and discussion this past week.  
I am excited to see what God is going to do in and through our hearts and lives!

In preparation for this week's study, I wanted to send to you all the instructions for this week. I just completed Day 1 and I think the question: "What have been your false or incomplete images of God?" Was though provoking for me. I also appreciated the prayer focus for the day, "Write a prayer to Him asking Him to reveal Himself to you."

Each week we'll give you a Bible memory verse for your personal spiritual growth. Here's this week's (Week 2):

*"Therefore, there is now no condemnation for those who are in Christ Jesus, because through Christ Jesus the law of the Spirit who gives life has set you free from the law of sin and death."*  
Romans 8: 1-2

Please make sure to complete Day 1-5 and journal your thoughts related to the questions provided. We will be discussing next week what God teaches us!

It would be great if a couple or individual would be willing to share their 2-5 minute story of the journey with Christ (testimony) this coming Sunday. If you're up to it, would you send me a reply and let me know? Remember if you are sharing your story, this is a 2-3 min version of your story – you cannot share everything or we will not have time for everyone to be able to share.

Please let me know if you have any questions at all. Excited to see what God is going to do in and through our lives together!
